SPRIT OF FESTIVE SEASON

Presently we are going through Festive season. "Durga Puja" "Kali Puja" and "Dewalli" are over. But, still the fragrance of the festive spirit persists. This is the right environment of our collective occasions. During these occasions we bring ourselves together and make our bondage stronger with the relatives, friends and the other people from the society. It also makes healthier our moral sprit.

We must take the advantage of it. We can utilize this sprit to do something more for those who are unfortunate, downtrodden and poverty stricken. There is no hesitation that all our members are well concerned about that. And that is the true face of Rotarian.

Rotary International is well known would wide for their humanitarian activities, strong moral support and empathetic initiatives to the ill-fated ones.

We, from this day forward, can augment our activities, focus deeply into our service and broaden our message of humanity among more people.
