ROTARY - MEMBERSHIP NEWS FROM RIP JOHN GERM

President John Germ was a guest speaker at a Rotary Club, celebrating its 100 years in Rotary. He brought simple but innovative priorities to the table including two in particular :

Being a Rotarian is not about the number of warm bodies; it is about the number of volunteer hours. Being a Rotarian is not about attending meetings; it is about engaging in service projects.

Wise thoughts from RI President with his simple emphasis on core principles. **Who cares about the numbers** - It is about the quality of folks who come to join us. Make sure that your club has a significant potential role lined up for them before you ask them to join or consider their Chart for 3 years ahead and fill the gaps. Do it. Develop your related Action Plan. Watch growth happen as you build a sense of true belonging at your club through the attraction and retention of engaged members. At another meeting he said, "I can't make your club or your community stronger." Only you can do that by inviting the qualified people you know to join you in Rotary Serving Humanity.

LET'S ALL PLEDGE TO PROMOTE LITERACY AND JOIN HANDS TO WORK FOR THE GREAT CAUSE TO TOUCH THE HEARTS OF MILLIONS !!!

Literacy is a bridge from misery to hope. It is a tool for daily life in modern society. It is a bulwark against poverty, and a building block of development, an essential complement to investments in roads, dams, clinics and factories. Literacy is a platform for democratization, and a vehicle for the promotion of cultural and national identity. Especially for girls and women, it is an agent of

family health and nutrition. For everyone, everywhere, literacy is, along with education in general, a basic human right.... Literacy is, finally, the road to human progress and the means through which every man, woman and child can realize his or her full potential.

We meet every saturday at "Hotel Park Palace"
